

# User Stories

**As a**

**I want to**

**So I can**

## Login

**As a**

first time user

**I want to**

register by email

**So I can**

start using the app

**As a**

first time user

**I want to**

register with google

**So I can**

start using the app

**As a**

registered user

**I want to**

login with google/email

**So I can**

get acces to my account in the app

**As a**

registered user

**I want to**

change my password

**So I can**

login with another password

**As a**

registered user

**I want to**

choose/change my own avatar

**So I can**

show people who I am through my avatar

**As a**

registered user

**I want to**

see statistics of myself

**So I can**

see results about myself

## Creating a party

**As a**

logged in user

**I want to**

create a crew

**So I can**

start playing tag with friends

**As a**

creator of a crew

**I want to**

remove friends

**So I can**

control who I play with

**As a**

creator of a crew

**I want to**

choose game mode

**So I can**

choose how I play the game

**As a**

creator of a crew

**I want to**

define a playing zone

**So I can**

control how far people can go

**As a**

creator of a crew

**I want to**

choose a game duration

**So I can**

control how long the game will take

**As a**

creator of a crew

**I want to**

invite friends with whatsapp or text msg

**So I can**

get people to play with me

**As a**

creator of a crew

**I want to**

start / stop the game

**So I can**

choose when we start / stop

**As a**

crew member

**I want to**

leave the crew

**So I can**

stop participating in this crew

**As a**

crew member

**I want to**

get a notification if I'm out of the playing zone

**So I can**

get back in the zone and participate

**As a**

crew member

**I want to**

let someone of the crew become moderator

**So I can**

when the current moderator leaves the game

## The game

**As a**

tagger

**I want to**

play a game while the others running away

**So I can**

wait for them to run away in a fun way

**As a**

tagger

**I want to**

see where the people

**So I can**

go tag them without them knowing I'm around

**As a**

tagger

**I want to**

tag someone by getting near them and

**Say**

I go near them (4m?)

**And**

I get a hold of them

**Then**

A popup will appear on both are screens to confirm I tagged that person and he will become the tagger

**As a**

runner

**I want to**

leave the game

**So I can**

let the others now I'm not participating this round anymore

**As a**

runner

**I want to**

get a notification if the tagger has changed

**So I can**

stay up to date of who is the tagger

**As a**

crew member

**I want to**

send messages to the other runners

**So I can**

communicate with them without them knowin
